

**UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF FLORIDA**

**CASE NO. 24-20286-CR-ALTONAGA**

**UNITED STATES OF AMERICA**

**v.**

**JEFFREY KAMLET,**

**Defendant.**

\_\_\_\_\_ /

**JOINT MOTION TO CONTINUE TRIAL**

The United States and defendant Jeffrey Kamlet hereby jointly move this court for a two-week continuance of the trial, currently set for the February 24, 2025 trial period. As grounds therefor, the parties assert the following:

1. There are difficult legal and evidentiary issues faced by both parties in this case. Both parties are seeking a resolution that will avoid a lengthy suppression hearing and thereafter, if the suppression motion is denied, a jury trial.

2. Pre-trial diversion is one potential resolution under active consideration. This would require approval by management in the U.S. Attorney's Office. That prospect is currently undergoing such review, but it has not been completed.

3. The parties are mindful of the court's intention to avoid any further delays in this case. However, this motion is made in good faith in an effort to reach a just result.

Wherefore, the parties seek a two-week continuance to further their efforts at resolving the case.

Respectfully submitted,

HAYDEN PATRICK O'BYRNE  
UNITED STATES ATTORNEY
